

After retiring as a crossing guard, Pedro could dedicate more time to his first love, the guitar. He would travel across town to meet with his friends in the guitar group. Together, they would polish their versions of the classic Mexican love ballads, even as he modestly repeated that he was not learning anything new.

I close by saying that Pedro Ramirez Davis was a hard-working and decent man from very humble origins. Pedro, like so many immigrants, came to this country to work hard and build upon the character and values of our nation. He did so with pride and purpose. He lived a life worthy of recognition, honor and respect. His lifetime of involvement on behalf of the working people and the less fortunate in his community has not gone unnoticed. Pedro Ramirez Davis will be sorely missed.

#### HONORING TRUMAN STATE UNIVERSITY

#### HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 24, 2017*

Mr. GRAVES of Missouri. Mr. Speaker, I proudly pause to recognize Truman State University on their 150th Anniversary. Since 1867, this fine institution of higher learning has been producing quality graduates who greatly enrich our society with the knowledge and values that have been instilled in them.

Founded on September 2, 1867, in Kirksville, Missouri, by Joseph Baldwin, the school was originally known as the North Missouri Normal School and Commercial College and existed to train teachers to serve in public schools. It received several name and mission changes over the years and today, it is known as Truman State University. Building on a tradition of academic excellence, Truman State became the state's only public liberal arts and sciences university in 1985 at the direction of the Missouri Legislature. The recipient of multiple national accolades, the school continues to successfully embody their mission of providing affordable education to exemplary students. Highly selective in the students they accept, Truman State University boasts both the highest retention rate of freshman to sophomore students among public universities in Missouri and the highest public university graduation rate in the state.

Mr. Speaker, I proudly ask you to join me in recognizing the rich 150 year history of Truman State University. This elite public, liberal arts university in rural Northeast Missouri has educated generations of students who have made an exemplary impact both at home and abroad. I commend President Dr. Sue Thomas and the faculty and staff—past, present and future—for their commitment to providing the next generation with a quality education. I am extremely honored to represent this fine institution in the United States Congress.

#### HONORING THE LIFE OF ARNOLD PARK

#### HON. ADAM KINZINGER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 24, 2017*

Mr. KINZINGER. Mr. Speaker, I rise today to honor the life of Army veteran, community

leader, and my constituent, Arnold Park of Streator, Illinois.

Mr. Park served his country for two years in Germany before returning home to Streator to run the Lutheran Brotherhood Insurance Agency for the next thirty-five years. In this capacity, he was a trusted community member and able to provide peace of mind to thousands of my constituents. He also served his community as a member and President of the Streator School Board and as a council officer at St. Paul's Lutheran Church.

His dedication to his community and his neighbors continued throughout his life, with Mr. Park most recently dedicating his time and efforts to the Ramp Builders for St. Paul, an organization he founded which constructs and installs wheelchair ramps to help individuals with handicaps and senior citizens access their homes. The Ramp Builders have built hundreds of ramps since 1987 and it now serves people in nearby communities such as Ottawa, Marseilles, and Seneca.

Without question, Arnold Park positively impacted not only his family and loved ones, but also the entire Streator community. His commitment to his profession, his family, his community, and his faith should serve as an example to all of us.

Sadly, Mr. Park passed away on October 9, 2017. I offer my condolences to his widow, children, and grandchildren. Each of them should know how grateful his community and his country are for all he achieved during his life. It is truly an honor to represent an area of Illinois in which people like Arnold Park are making a difference in others' lives each and every day.

#### IN RECOGNITION OF THE VOLUNTEER SERVICE OF THE BAY ORAL SURGERY & IMPLANT CENTER AND ORAL & MAXILLOFACIAL SURGEONS-BAYCARE CLINIC

#### HON. MIKE GALLAGHER

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 24, 2017*

Mr. GALLAGHER. Mr. Speaker, I rise today to recognize the volunteer service of the Bay Oral Surgery & Implant Center and Oral & Maxillofacial Surgeons-BayCare Clinic. Since September 2014, these two groups have taken turns each week volunteering their professional services at the N.E.W. Community Clinic, a federally qualified health center in northeastern Wisconsin.

Over the last three years, these groups have provided expert care on a volunteer basis to over 1,200 patients and completed more than 3,300 surgical procedures. The patients these oral surgeons continue to serve are among the most vulnerable members of society, including those who are disabled, in wheelchairs, are cognitively delayed, have Alzheimer's or other severe forms of mental illness.

Without this volunteer service at the N.E.W. Community Clinic, many of these patients would not have access to the necessary oral procedures they need and deserve.

Mr. Speaker, I urge all members of this body to join me in commending the humanitarian work of the Bay Oral Surgery & Implant

Center and Oral & Maxillofacial Surgeons-BayCare Clinic, and thank them for their ongoing commitment to serving those in need across northeastern Wisconsin.

#### 100TH ANNIVERSARY OF CHESTERFIELD COUNTY'S HISTORIC COURTHOUSE

#### HON. DAVE BRAT

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 24, 2017*

Mr. BRAT. Mr. Speaker, this year marks the centennial of Chesterfield County's historic courthouse. This building is a point of pride for the county of Chesterfield and is an official Historic Landmark for Chesterfield and the commonwealth of Virginia.

The Chesterfield Courthouse sits where the original 1749 colonial courthouse once stood. It took only a mere eight months to build the 1917 Courthouse and began hearing cases shortly after construction. The bell from the 1749 Colonial courthouse has been carefully preserved and is the oldest historic artifact in Chesterfield County. It currently stands on display at the Chesterfield County Museum. The bell is, in fact, three years older than the great Liberty Bell.

The Courthouse is more than a well-preserved Landmark, it is a symbol of our great history. When it was built in 1917, it was one of the first preservation struggles in our nation. It was the place where WWI draftees camped out as they waited to ship out to training camps. It has and will continue to represent the critical third branch of government where it still hears cases to this day, 100 years later.

A centennial anniversary is a great accomplishment and is worth recognition and appreciation. It is necessary for our culture and history to be preserved and remembered; whether that be in the abstract of our ideals and principles, or in the physical; such as the Chesterfield Courthouse. Behind the physical buildings is where our principles and values lie. For this reason, I want to recognize the 100 year anniversary of the historic courthouse in Chesterfield, Virginia.
